

SPONSOR INFORMATION

Your Name _____

A sponsor is someone chosen by the candidate to serve as a mentor and guide. The sponsor's primary job is to be a mentor to the candidate; to talk about questions of faith and of life; to be another guide as they travel their faith journey. Sponsors will be asked to attend an orientation meeting. At that time they will receive a packet containing topics to be discussed. The topics cover various aspects of our Catholic faith. After each topic is a short evaluation sheet to be filled out and returned to me. Canon Law says the sponsor needs to be at least 16 years old, a confirmed and practicing Catholic, who is not a parent of the Confirmation student. They should be someone who is a mature individual and good example in living their faith.
